The image shows a modern event display setup. It features several large, triangular panels made of a white material with a gold-colored geometric pattern of intersecting lines. These panels are arranged in a row, with the first one being yellow and the others being white. To the left, a vertical screen displays the word 'EXPERIENCE' in white capital letters on a black background, surrounded by colorful abstract shapes. To the right, a larger screen also displays 'EXPERIENCE' in white capital letters on a black background, with a similar abstract design. The entire setup is supported by a blue metal truss structure. The background is dark, and the lighting is focused on the panels and screens.
